EA Sports has also included a new ball physics engine that delivers more realistic, detailed and authentic ball movement, as well as animations that add more realism to player controls and ball movement. This same ball physics engine powers the RedZone mode of FIFA Ultimate Team™. With RedZone, fans can view each team's pressing intensity, pressing defense, defensive transition, possession, zonal coverage and more. The San Diego Matchday experience also returns for FIFA Ultimate Team, bringing match-day intensity to FIFA Ultimate Team. Fans can experience a Championship-level match day experience, hear a live DJ and view HD, high-definition host boxes. Players can find trophies, dog items and other collectible items on the field after matches. In addition, this year's FIFA Ultimate Team features the ability to use Move-On cards to unlock prestige items while in Create-A-Club Mode. Fans who have bought the "12 Months of FIFA" subscription offer will receive a bonus in-game item pack that includes an All-Access pass that will give them access to an additional two FIFA Ultimate Team packs, a Fan Shirt and dog head piece, to be awarded for completing, daily challenges. They also receive access to new content in the form of unlockable player items, as well as enhanced storylines, challenges and alternate jerseys. FIFA 22 will be available on PlayStation®4 and Xbox One™ in North America on October 2, 2016, and October 15, 2016 in Europe. All-Access Pass FIFA Ultimate Team is all about playing the game how you want to play, so EA has introduced the All-Access Pass to give fans more flexibility and freedom in how they play the game. Anyone who has bought the All-Access Pass will be able to play their Ultimate Team on any PS4, Xbox One or PC platform, at any time, and for as long as they own that platform. They will also be able to play any content on PS4, Xbox One or PC, on any platform. The All-Access Pass gives you the ability to purchase FIFA Ultimate Team packs in single-player only, or you can use them in multiplayer modes. As a result, you will be able to experience the Ultimate Team gameplay and the All-Access Pass will not affect your current Ultimate Team setup. FIFA 22 On-Sale Date FIFA 22

This latest FIFA introduces the FIFA Ultimate Team. Completely new in FIFA 22, this mode lets you build your very own dream team by collecting and customizing a squad of the world's best players. Load up on your favorite players like Lionel Messi, Cristiano Ronaldo, Zlatan Ibrahimovic and Neymar Jr. on the new Xbox One X, available on October 17. NETWORK Maxis has added new data services to FIFA 22: NASL - Move to a new, accurate history of the National Premier Soccer League, including statistics and a season diary. Rivalries - Start wars between rival clubs and address information about clubs' history, records and rumors as you try to settle old scores. Coaches - Watch in-depth video content about each of the world's best coaches that you can study in a variety of different ways. Also, choose from the 40 different player archetypes and customize your player more than ever before. Career Mode - Watch more commentary and transition clips that help bring to life a player's journey through the FIFA 22 Career Mode. Network Play - A new network play feature is here to help you have the best online experience. Take your head-to-head battles to the next level with better matchmaking that finds players of similar skill levels. GENERAL UPDATES Tactics and Techniques - Play the game how you want to, in any way you want. The new Match Tactics creator lets you create your own drills to train your team like a pro. Once you've created a drill, you can watch replays of the training session and select footage to help you give that drill a try on the field. Career Mode - Take your training sessions to the pitch in more ways than ever before with new coaching options. One example is that you can now choose to play in the third position on the field. New Trainer Jobs - Create your own personal goals with a Trainer Job. From zanahorrible to zanahorrad, you'll be able to earn the FA badges that allow you to customize your players' looks. FIFA 22 will also be the first game in the series to feature an all-new Player Career Mode. VIDEO UPDATES CLUBS - Customize your new club with a 30-photo gallery, and also choose the ultimate stadium. The all-new stadium types help you build clubs that stay true to their roots.

The most authentic football game on any platform. FIFA has kept its core gameplay and features while introducing a new Career Mode, Player Stories and World Rankings. FIFA is back The authentic football experience returns in FIFA 22. Watch players control the ball, make runs and pass with decisive, balletic motion-capture technology. Feel the rush of fans around the stadium, the energy of crowds and the crackle of every goal on stadium and pitch. Track a ball from a far-off free kick or a run down your wing, or the positioning and build-up play in the midfield, and relive all these moments and more. A new League, New Challenges and New Players FIFA 22 is back with a new Europe-based competition and a campaign covering the entire history of the game. Earn your Club its first Scudetto and championships with a new mode called Championship Mode. Play through a season of 30 matches, win trophies, and qualify to compete in the UEFA Champions League. The Premiership League also has several fresh elements. This year, local rivalries include the Los Blancos vs Real Madrid rivalry. Finally, players now have the ability to wear the number of their preferred team, and you can see more about their club online thanks to the introduction of the Club Stats screen. Introducing Player Stories FIFA 22 introduces Player Stories - a new feature that tells the personal story of a player at their club. Get to know the player in-depth through their own deep cut scenes, and learn about their personal life away from football. In addition, through the new "Player Focus" function, you can link you performance to the player's personal life. For example, Lionel Messi has an extended focus which shows how he experienced the moment he made his first goal for Barcelona. FIFA Pro Clubs All leagues come to life in Career Mode with multiple competitions to compete in, including a new format for the UEFA Champions League. Better yet, Career Mode features Pro Clubs, giving players the ability to go deeper into the game with more customisation. Each Pro Club includes a unique manager who provides a unique management style, as well as a unique stadium, kit, stadium design, kits, theme and more. Players can unlock the Pro Club themselves via free FIFA Ultimate Team packs, or earn them by completing additional challenges inside the game. Only Pro Clubs can be unlocked via in-game currency; Pro Clubs purchased using real-
