Railworks 3 Train Simulator 2012 Deluxe Update 3-SKIDROW Unlimited Gems

Hello, a new update that we made to this game should be released soon, could you be patient with us until then? We are glad you like the game we made, we will continue to update it and make new content for it but we don't want to add stuff that will make the game lag. We'll make more fixes and improvements soon, hope you still like the game. Thank you for the support, here are some fixes and new features: - Fixed game skipping on certain PS3 systems. - Adjusted screen

resolution for PS3. - Fixed lag when opening the map. - Fixed crashes on certain PS3 systems. - Fixed crashes on PS3. - Added Achievements. - Added Train Engine Sounds. - Added Starting and Ending Graphics. - Added new Reworked PC/Mac/Linux. - Exiting the game and then returning will ask to log in. - Updated level of the game. - Added countless graphical improvements to the game. - Fixed custom emblems. - Fixed level ending on the fifth level. - Fixed error loading LUTs. - Added new spectator camera mode. - Added new Play-Mode to the game. - Added unlimited gems to the game.

- Added a new texture pack. -
Added "River Valley" graphics. -
Added missing population. - Added
new levels to the game. - Added
rails 3.5 vehicles. - New real player
locomotive animated map: Just
LA/Los Angeles. - Added certain
textures. - Lots of other fixes and
improvements. Get ready for the
biggest update ever to Railworks 3 -
Train Simulator 2012 Deluxe.
Railworks 3 is now available for a
whole new range of players. After a
fantastic Open Beta, the new
version of Railworks 3 Train
Simulator 2012 will now be
available for the retail version. It
will be a free update for existing

players and new players will be able to purchase the retail version with the update included for the price of. \$9.99 (PC) (SKIDROW) - \$49.95 (Steam) (PROPHET). This is because the new update is a huge improvement over the older version that some of you have already played. But to get the update, you will have to buy the new version. After the update, you will be able to experience even more new content such as the new sandbox mode, motorway mode, dual screen technology, and more. But, there is a catch; you will need to wait until the brand new content will be
