Go to Grind Rail in single player mode as Shadow. Pass the level of reg. but don't jump on the rocket in a binge. You should see a flying robot. Go to . Run . Extract it to your saves folder, and in the folder itself create an empty folder called . In it, after saving, compress . If everything worked out, then you should see on the map the robot that you saw in the game. Just in case, restart the game. In the game, you can already switch to multiplayer mode. If you want a rocket to appear on the map, then go to the single player mode and click on the "New Game" item. The menu will prompt you to choose one of four rockets.
