The iPhone 7 and 7 Plus both have curved glass on the back, so they're less prone to cracking and breaking. They also come in two colors -- silver and space gray. And even with the smaller display, it has the same resolution as a 4.7-inch iPhone 6S. The iPhone 8 and 8 Plus will have nearly identical specs to the 7 series. Whether you're upgrading from an older iPhone or starting out with the latest model, there's a new iPhone that's sure to fit your lifestyle. Despite its initial poor reputation, Finale has much to offer anyone who wants to compose or play a musical instrument. Finale includes unique functions such as singing and playing two or more instruments at the same time. Finale is

a complete musical toolbox. Powerful features and almost intuitive user interface make Finale the ideal choice for composing a wide range of music. The music notation software for experts and beginners and its educational applications give you the power and access to create your own original songs, arrangements or complete compositions.
