The most famous of its kind. Contains complete, fully-arranged, easy-to-follow solo and ensemble sets for Guitar, Bass, keyboards, and drum kit. Each book contains the full accompaniment and every single solo is fully notated. Each book also contains a one to one plug-in arrangement that can be listened to, to help you learn how to play it note-for-note. With varied tempos, and several Latin styles, this is a tour-de-force treatment of the world's best-known tango in the style of Bill Holman's epics for the Stan Kenton band. A flamenco-style fanfare opens the chart, followed by a ballad treatment of the B section. Then the main tune, in its familiar tango mode, is followed by an up-tempo samba version closing with an all-out, fiery ensemble ending. In true Holman style, this passage is interrupted by a short swing section. There are solos featured for tenor sax 1, suggested or with changes, and guitar with changes only. Super for festival or concert finales! The chart has 3 parts, each with a distinct mood. Each part is labeled with the names of the album titles used in the songs. All arrangements are written in the key of C Major. This part begins with the main chord progression of Cm-Abm, followed by some secondary progressions. Part 2 begins in A Major and adds more new chords and sounds with increasing complexity. In Part 3, the final part, the chords are repeated with increasing complexity. The underlying primary chords are included, but this is not for absolute beginners. This is for more advanced players seeking a challenging and challenging fun session. The charts are written with the guitar in the first position. The books include all of the guitar chords as well as the lyrics (the lyrics are in Spanish, but the music is in English). The guitar chords are clearly written. Each chord is written on it's own line so that you can easily see the different types of chords that are included in the score.

In accordance with the way he works, he is really a maestro of the tango, It is a beautiful composition of romanticism, with a slow tempo, the passionate & romantic side of the tango, perfect for the dances with lovers. A la Cumparsita, Guitar Chords Free Read on for an exclusive interview with El Pachanga. What was your first tango? El Pachanga, Me sentí así!How did you come to write A la cumparsita and La Coplas de la Cumparsita? Were these your first compositions? My first piano composition is "Soledad" when I was 20. It has an old bolero taste. And the first tango is "La Cumparsita". And when I was 22. I wrote for the first time "La Coplas de la Cumparsita". Can you explain how this composition came about? Was it a personal experience? In 1950 or 51. I met a young dancer with an illustrious career and I was drawn to her and was very attracted to her. One day she came to my house and asked me if she could sing a tango for me. And I said yes. And then she sang "A la cumparsita". I said her that is a very good and serious tango. In the morning I thought of the first question I could ask to her, "Do you like the tango?" And she said yes. That's how I came to write the song. I started to form ideas for the composition in my mind that's how the song started. And in order to add lyrics to the composition. So, in the end I composed a comical tune, a duet or the title of the song. And I wrote the lyrics quickly. What are the origins of the song? Where does it come from? In a restaurant in Buenos Aires. I was standing next to a lady. She said "it's your turn." And she sang a tango. And I saw that she had a lot of talent. And I decided to learn the song in order to learn the rhythmic line. And I went back to my house and sang the song in order to put it right. 5ec8ef588b
