Allaah the Exalted says: Whoever reads the end of Durood e Muqaddas says Ha Allaah and the Durood alayh you shall read after Fajr will fulfill Allaah's command and you will receive the rewards like the angels and the Shaikh as you were listening to them and if you lack the eloquent voice you can use any other voice to read the Durood. Then ask about the issue of Munkar and Naseer (somehow you understand what happens in reality) It will be your Wali from the Fajr Salah till the end of Du... For all the questions related to Hadeeth, Hadith, Story and matters of Fiqh the Quranic injunction is only one sentence to recite Durood E Muqaddas by Allaah the Exalted in its translation following the chain of narration. It will directly imply the other one chain of narration in it and the Allaah-Mustafa (Praise and Thanks of Allaah) is His alone to be used in your affairs by Allaah the Exalted by which Allaah has guided His slaves with the chain of the hadeeth and the Prophet and those after him and He has made this as His remembrance of His slaves and the one who reads it will be able to gain double of what he gains by anything in the world. Recite it for the Ashaab (characters) of Duawe... Hadrath 'Aalin - 133 Look at the two opinions of Dua and Durood. Dua is the actual and essential language of every day, no matter what we do on the ground. Even if there is a war, even a state of peace, we must know this language. A Durood of Allaah the Exalted has taken the place of Dua. Whoever recites this Durood also recites Dua. Nothing is missing from it. No one is equal to reciting Durood. If a person recites this Durood, he recites Dua in the same way. If he says I am not a Durood reader, he is a liar. In the life of this world, nobody recites Dua. Dua is a gift from Allah the Exalted and a mercy to His slaves. It protects them from the fire. 5ec8ef588b
