With it, you can build chords, drum kits, bands, riffs and hundreds of combinations to add to your drum tracks. The Dark Matter EZX kits contain all the great sounds you find in the Death & Darkness sample packs. They are transformed into your own loops and choruses and come in a variety of different styles including rock, heavy metal, hardcore and more. This product is the next generation sound library that EZdrummer has ever produced. It features not only the latest tools such as the Drag & Drop feature, MIDI support, new preset categories, various new features and more, but also completely new sounds. With the presets included in the Sound Library, you can cover any style and genre. The Dark Matter EZX Sound Expansion is the exact sound library you need to grow your skills and improve your composing. (For even more configurations, you can also order the Dark Matter EZX Sound Expansion with additional sounds - [click here to order](#)). Key Features For your convenience and easy use, EZX Sound Expansion is divided into presets and kits. Kits contain a multitude of riffs and loop-based sounds for you to work with. You can also import the sounds directly into your favorites folders as presets. There are preset categories available for further customization and unlimited loop structure possibilities. Whether you're searching for rock, metal, hardcore or noise sounds or want to quickly cover any style, you will find it all in EZX Sound Expansion. The sheer amount of sounds and loops included in EZX Sound Expansion makes it the most extensive sound library to ever be released for EZdrummer. E
