Come and see the latest in DESI GIRL IN BRA photos from free sex galleriesQ: Why do we write "which" before the sentence I studied "the theory which governs nature" in which I learnt that "which" is used to introduce the subject of sentence, whereas for the other words "subject" and "verb" and "object" are used. The problem is that when I read the following sentences Scientists are discovering how to use carbon as a source of energy, which will dramatically reduce our dependence on fossil fuels. In which I don't understand "which", please explain me. A:
